SCHOLARSHIP POLICY-2017-18

A scholarship is financial assistance awarded to a student on the basis of his or her academic performance; intended to serve as an incentive for the student to continue their studies. The Government of India takes into account the financial hardships faced by parents and guardians of children from Scheduled Castes and Scheduled Tribes who want their children and wards to continue and finish their education. India, being a diverse country must not ignore the reality that certain groups within it need supplementary funding to maintain their slow but steady advancement via education. Thus, enhanced or additional attention is given to female students, students with special needs, and students from border areas. The minority status of a number of groups in the nation is also taken into account by the Ministry of Minority Affairs, Government of India, via its many scholarship programmes. The benevolent governments of India and the state government of Andhra Pradesh want students from all social classes to have access to educational opportunities that would empower them. This will increase their likelihood of becoming employed and, ultimately, lead to eliminate socioeconomic inequality.

In addition to the aforementioned opportunities, the Institute also offers a variety of Scholarships to students, which are awarded based on academic excellence, sports, loyalty and philanthropic standing. Raghu Engineering College (REC) has always been pleased to help the poor and needy students on campus. The scholarship scheme for students at Raghu Engineering College has been established since the start of the institution. While granting scholarships to enrolled students, REC takes the government's policies into consideration. A scholarship or tuition fee reduction is available to deserving students in each stream of engineering each academic year. Scholarships may be awarded for either a portion of or the whole cost of tuition fee, and the decision to provide such scholarships is up to the management of the institution.

(a) **Academic Merit Scholarship:** The purpose of the academic merit Scholarship is to provide students with a reward for academic excellence. The entrance examination ranks were considered for offering an exemption in their fee based on the following criteria.

AP EAMCET Rank	Tuition fee exempted for first year
≤ 1000	100%
$> 1001 \& \leq 2000$	75%
$> 2001 \& \leq 5000$	50 %
$> 5001 \& \leq 10000$	25 %

- The fee concessions will be continued for the subsequent years, subject to scoring 8.0 & above CGPA every year.

e-mail: principal@raghuenggcollege.com website: www.raghuenggcollege.com

(b) **Loyalty Scholarship:** REC offers loyalty scholarship for students who have studied and completed their undergraduate degree at the institute and return to the institute for higher studies. The loyalty scholarship is 50% of the total fee for the course in which the alumni has joined.

(c) **Benevolent Scholarships:** The goal of the benevolent part of the Scholarships is to give financial support to students from rural backgrounds who have true and unforeseeable circumstances, which may include financial difficulty. These are likely to impede the student from finishing or continuing formal education. The lateral entry students or students coming from diploma are students with rural and poor background Raghu Engineering College provides special fee reduction of 20,000/- for all the Lateral entry students who are not eligible for 100% fee reimbursement from government.

(d) **Sports Scholarships:** Raghu Engineering college provides complete/ partial fee reduction for students showing excellence in sports. Depending upon their level of participation, the student may be considered for 50% to 100 % reduction in fee.

(b) **Loyalty Scholarship:** REC offers loyalty scholarship for students who have studied and completed their undergraduate degree at the institute and return to the institute for higher studies. The loyalty scholarship is 50% of the total fee for the course in which the alumni has joined.

(c) **Benevolent Scholarships:** As the government of Andhra Pradesh has decided that all eligible students will be given a 100 % fee reimbursement directly into their accounts, the management of Raghu Engineering College has called off the scholarship scheme for the lateral entry students, However, the scheme will be continued for students who are already admitted into the institution and who are not eligible for full fee reimbursement. Those lateral entry students from previous batches will be entitled for special fee reduction of 20,000/- in their tuition fee.

(d) **Sports Scholarships:** Raghu Engineering college provides complete/ partial fee reduction for students showing excellence in sports. Depending upon their level of participation, the student may be considered for 50% to 100 % reduction in fee.

The various levels of competitions and categories of events are given below:

Level of Competition	Name of the Competitions
Recognized International Events	International (Olympics/Asian games)
	International (Games conducted every six months)
Recognized National Events	National Championships/National Games – Organized by National Federations/IOA/MYAS
	School Games Federation of India (SGFI) Meet (National Level)/Khelo India School Games/Khelo India University Games
	All India Rural Sports Meet/PYKKA (Panchayat YuvaKrida Aur Khel Abhiyan) National Level Rural Competition (National Level)
	National Sports Festival for Women/PYKKA National Level Women Competition (National Level)
	National Inter-School Competition (National Level)

SCHOLARSHIP POLICY-2021-22

A scholarship is financial assistance awarded to a student on the basis of his or her academic performance; intended to serve as an incentive for the student to continue their studies. The Government of India takes into account the financial hardships faced by parents and guardians of children from Scheduled Castes and Scheduled Tribes who want their children and wards to continue and finish their education. India, being a diverse country must not ignore the reality that certain groups within it need supplementary funding to maintain their slow but steady advancement via education. Thus, enhanced or additional attention is given to female students, students with special needs, and students from border areas. The minority status of a number of groups in the nation is also taken into account by the Ministry of Minority Affairs, Government of India, via its many scholarship programmes. The benevolent governments of India and the state government of Andhra Pradesh want students from all social classes to have access to educational opportunities that would empower them. This will increase their likelihood of becoming employed and, ultimately, lead to eliminate socioeconomic inequality.

In addition to the aforementioned opportunities, the Institute also offers a variety of Scholarships to students, which are awarded based on academic excellence, sports, loyalty and philanthropic standing. Raghu Engineering College (REC) has always been pleased to help the poor and needy students on campus. The scholarship scheme for students at Raghu Engineering College has been established since the start of the institution. While granting scholarships to enrolled students, REC takes the government's policies into consideration. A scholarship or tuition fee reduction is available to deserving students in each stream of engineering each academic year. Scholarships may be awarded for either a portion of or the whole cost of tuition fee, and the decision to provide such scholarships is up to the management of the institution.

(a) **Academic Merit Scholarship:** The purpose of the academic merit Scholarship is to provide students with award for academic excellence. The entrance examination ranks were considered for offering an exemption in their fee based on the following criteria.

AP EAMCET Rank	Tuition fee exempted for first year
≤ 1000	100%
$> 1001 \& \leq 2000$	75%
$> 2001 \& \leq 5000$	50 %
$> 5001 \& \leq 10000$	25 %

- The fee concessions will be continued for the subsequent years, subject to scoring 8.0 & above CGPA every year.

(b) **Loyalty Scholarship:** REC offers loyalty scholarship for students who have studied and completed their undergraduate degree at the institute and return to the institute for higher studies. The loyalty scholarship is 50% of the total fee for the course in which the alumni has joined.

(c) **Benevolent Scholarships:** As the government of Andhra Pradesh has decided that all eligible students will be given a 100 % fee reimbursement directly into their accounts, the management of Raghu Engineering College has called off the scholarship scheme for the lateral entry students, However, the scheme will be continued for students who are already admitted into the institution and who are not eligible for full fee reimbursement. Those lateral entry students from previous batches will be entitled for special fee reduction of 20,000/- in their tuition fee.

(d) **Special Scholarship:** The government of Andhra Pradesh has given a provision for the institutions to collect a maximum of three times of fee from the Category B seats but Raghu Engineering College Management has decided to collect fee from category B seats as below:

S.No	Branch	Max. Eligible Amount Per seat	Amount of Fee per seat	Scholarship Amount per seat
1	CIVIL	2,09,100	69,700	1,39,400
2	EEE	2,09,100	69,700	1,39,400
3	MECH	2,09,100	69,700	1,39,400
4	ECE	2,09,100	1,00,000	1,09,100
5	CSE	2,09,100	1,60,000	49,100

(e) **Sports Scholarships:** Raghu Engineering college provides complete/ partial fee reduction for students showing excellence in sports. Depending upon their level of participation, the student may be considered for 50% to 100 % reduction in fee.
